ABOUT ME

Results-driven UI/UX engineer with over 10 year's work experience in Sri Lanka & Dubai, UAE. A passion for creating intuitive and visually appealing digital experiences. Possessing a solid foundation in user-centered design principles, I excel at transforming complex ideas into seamless and engaging interfaces. With a strong background in front-end development and a keen eye for detail, I am adept at crafting innovative solutions that enhance user satisfaction. I thrive in cross-functional teams and enjoy bridging the gap between design and development to deliver exceptional products.

EDUCATION

Completed a Diploma in Web Designing, Graphic Design and Hardware & Software, conducted by Wijeya Graphics (Pvt) Ltd Sri Lanka.

- Web Designing
(HTML, CSS, Java Script)
- Graphic Designing
(Adobe Photoshop, Adobe Illustrator, Adobe Indesign, Adobe Pagemaker, Corel Draw)
(Adobe Premiere, Adobe After Effects)
(3D Max, Maya)
- Hardware & Software
